1. Alcohol-use

Number of days, where you have used alcohol in the 30 days prior to being admitted to this institution. If you have not used alcohol in the past 30 days, answer 0.

Use of alcohol = 4 drinks or less on a daily basis or more than 4 drinks a day for a *maximum of 2 days* a week in the past 30 days.

1 drink = 5 cl liquor/spirits, 15-20 cl of wine or 33-45 cl of beer.

Alcohol-use in the past 30 days

answer in number of days

Indtast antal dage i programmet under EuropASI spørgsmål 1

2. Alcohol-misuse

Number of days, where you have *misused* alcohol in the 30 days prior to being admitted to this institution. If you have not misused alcohol in the past 30 days, answer 0.

Misuse of alcohol = 5 drinks or more a day for a *minimum of 3 days* a week in the past 30 days.

1 drink = 5 cl liquor/spirits, 15-20 cl of wine or 33-45 cl of beer.

Alcohol-misuse in the past 30 days

answer in number of days

Indtast antal dage i programmet under EuropASI spørgsmål 2

3. Heroin

Number of days where you have used heroin in the 30 days prior to being admitted to this institution. Your answer should include all types of heroin and uses there of. If you have not used heroin in the last 30 days, answer 0.

Heroin in the past 30 days

answer in number of days

Indtast antal dage i programmet under EuropASI spørgsmål 3

4. Methadone/LAAM

Number of days where you have used methadone/LAAM in the 30 days prior to being admitted to this institution. If you have not used methadone/LAAM in the past 30 days, answer 0.

Its not relevant whether or not the drugs have been obtained by prescription or illegally and neither is the form of intake.

Methadone/LAAM in the past 30 days

answer in number of days

Indtast antal dage i programmet under EuropASI spørgsmål 4

5. Other opiates

For example Subutex/Temgesic/Buprenorphin, morphine, opium, Ketogan, Pethidin, Abalgin/Dextro-propoxyphene and more (the form of the drug and intake not relevant). **Number of days** where you have used other opiates in the 30 days prior to being admitted to this institution. If you have not used an opiate like the ones mentioned above in the past 30 days, answer 0. Whether or not you have used the drugs legally (as prescribed) or illegally is not relevant.

Other opiates in the past 30 days answer in number of days

Indtast antal dage i programmet under EuropASI spørgsmål 5

6. Pills/medication

For example barbiturates, benzodiazepines, sedatives, hypnotics (how the drug is used is not relevant). **Number of days** where you have used pills/medication in the 30 days prior to being admitted to this institution. If you have not used one of the above-mentioned pills/medication in the past 30 days, answer 0. Whether or not you have used the drugs legally (as prescribed) or illegally is not relevant.

Pills/medication in the past 30 days answer in number of days

Indtast antal dage i programmet under EuropASI spørgsmål 6

7. Cocaine

Number of days where you have used cocaine in the 30 days prior to being admitted to this institution. If you have not used cocaine in the past 30 days, answer 0. Your answer should include all types of cocaine and the use there of.

Cocaine in the past 30 days answer in number of days

Indtast antal dage i programmet under EuropASI spørgsmål 7

8. Amphetamine/Ecstasy

Including Ritalin, Preludin, speed, ice and more. **Number of days** where you have used the above mentioned drugs within the 30 days prior to being admitted to this institution. If you have not used the above mentioned drugs, answer 0. The type of intake is not relevant.

Amphetamine/Ecstasy in the past 30 days answer in number of days

Indtast antal dage i programmet under EuropASI spørgsmål 8

9. Cannabis

Hashish and Marijuana. **Number of days** where you have used cannabis in the 30 days prior to being admitted to this institution. If you have not used cannabis in the past 30 days, answer 0. The type of intake is not relevant.

Cannabis in the past 30 days answer in number of days

Indtast antal dage i programmet under EuropASI spørgsmål 9

10. Hallucinogens (LSD, acid)

Including acid, mescaline, Angel dust, Ice and more. **Number of days** where you have used the above mentioned drugs within the 30 days prior to being admitted to this institution. If you have not used the above mentioned drugs, answer 0. The type of intake is not relevant.

Hallucinogens in the past 30 days

answer in number of days

Hvis X ved 25.9.(hovedindtægtskilde = illegale aktiviteter sidste 30 dage) skriv 1 i spørgsmål 33. Hvis ikke X i spørgsmål 25.9. skriv 0 i spørgsmål 33.

34. For how many days have you had serious conflicts with family members within the past 30 days?

A conflict requires contact with your family in person or by phone. If you, as a result of a conflict, have avoided contact with your family in the past 30 days, then it is not included as a "conflict within the past 30 days". An ordinary disagreement is not a conflict.

Family members consist of partners, children, parents, parents-in-law, uncles, aunts, cousins, etc.

As with all of the questions the 30 days in question are those prior to your admission to this institution.

Number of days where you have experienced conflicts with family-members within the past 30 days answer in number of days

35. How troubled or bothered have you been in the past 30 days due to family-related problems?

0 = not at all troubled

1 = slightly troubled

2 = moderately troubled

3 = considerably troubled

4 = extremely troubled

Answer from 0 to 4

36. How important is it to you to receive treatment or guidance in regards to these family-related problems?

0 = not at all important

1 = slightly important

2 = moderately important

3 = considerably important

4 = extremely important

Answer from 0 to 4

Indtast 0,1,2,3 eller 4 i programmet under EuropASI spørgsmål 36

37. For how many days within the past 30 days, have you had serious conflicts with people other than members of your family?

A conflict requires contact in person or by phone. If you, as a result of a conflict, have avoided contact with someone in the past 30 days, then it is not "a conflict within the past 30 days". An ordinary disagreement is not a conflict.

People other than members of your family are persons such as friends, colleagues, counsellor and others to whom you have a close relationship.

As with all of the questions the 30 days in question are those prior to your admission to this institution.

Number of days where you have experienced conflicts answer in number of days
with people other than family within the past 30 days

Indtast antal dage i programmet under EuropASI spørgsmål 37

38. How troubled or bothered have you been because of social problems in general within the past 30 days?

This question refers to the problems mentioned in question 37.

0 = not at all troubled

1 = slightly troubled

2 = moderately troubled

3 = considerably troubled

4 = extremely troubled

Answer from 0 to 4

39. How important is it to you to receive treatment or guidance in regards to these social problems?

This question refers to the problems mentioned in question 38.

- 0 = not at all important
- 1 = slightly important
- 2 = moderately important
- 3 = considerably important
- 4 = extremely important

Answer from 0 to 4

Indtast 0,1,2,3 eller 4 i programmet under EuropASI spørgsmål 39

Have you, within the past 30 days, gone through periods of time where you have experienced serious problems with any of the people listed below.

Your answer should include what you would consider to be serious problems of a certain length, for example experiencing poor communication, a total lack of trust and understanding, constant arguments and fights etc.

Check one box for each person.

- | | | | |
|---|-----------------------------|------------------------------|------------------------------------|
| 40. Mother | <input type="checkbox"/> NO | <input type="checkbox"/> YES | <input type="checkbox"/> Have none |

49. How many days have you experienced physical problems within the past 30 days?

Your answer should not include those physical problems that are a result of your alcohol- or drug abuse and that disappear once you stop taking drug or alcohol (such as a hangover, vomiting, sleep deprivation etc.). If vomiting or sleep deprivation is due to other consistent problems that do not automatically stop once your substance abuse stops, then they too are "physical problems" and should be included in your answer.

Physical problems such as the flu, tonsillitis etc. should also be included in your answer.

Number of days with physical problems within the past answer in number of days
30 days

Indtast antal dage i programmet under EuropASI spørgsmål 49
